CANEX METALS COMMENCES EXPLORATION PROGRAM ON BRITISH COLUMBIA PROPERTY PORTFOLIO RECENTLY OPTIONED FROM ALTIUS MINERALS

Calgary, Alberta - CANEX Metals Inc. ("CANEX" or the "Company") is pleased to announce a 3-person field crew has commenced surface exploration work on select properties in British Columbia recently optioned from Altius Minerals Corp (TSX:ALS).

Fieldwork will include geologic mapping, prospecting, and soil sampling, and will be designed to identify and refine exploration targets for more advanced work, potentially including geophysical surveying and drilling.

The fieldwork will focus on 5 projects in British Columbia that CANEX has recently optioned from Altius Mineral Corp. Additional information on the five exploration properties are available on our website at www.canexmetals.com. Note there are currently numerous forest fires burning through central British Columbia, which may temporarily prevent access to some of the properties.

About CANEX Metals Inc.

Canex Metals is a Canadian based exploration company focused on acquiring and advancing high grade gold and silver deposits in stable mining jurisdictions. Company Management has a proven track record of exploration success, with key personnel being involved in discoveries in Mexico, Newfoundland, and British Columbia. CANEX successfully trenched the Gibson Au-Ag property in British Columbia during 2017 and plans to drill test the property in 2018. Details of CANEX Metals proposed 2018 exploration are available on the website.

Dr. Shane Ebert P.Geo., is the Qualified Person for CANEX Metals and has approved the technical disclosure contained in this news release.
