**MANAGEMENT INFORMATION CIRCULAR FOR THE
ANNUAL & SPECIAL MEETING TO BE HELD ON OCTOBER 30, 2025**

INFORMATION REGARDING PROXIES AND VOTING AT THE MEETING

Solicitation of Proxies

This Management Information Circular (the “**Management Information Circular**”) is furnished in connection with the solicitation of proxies by the management of Canex Metals Inc. (the “**Corporation**”) for use at the annual & special meeting of the holders of common shares (“**Common Shares**”) of the Corporation (the “**Shareholders**”) to be held at the offices of the Corporation at Suite 1620, 734 – 7th Avenue SW, Calgary, Alberta, on Thursday, October 30, 2025, commencing at 10:00 a.m. (Calgary time) (the “**Meeting**”), for the purposes set forth in the Notice of Annual & Special Meeting (the “**Notice**”) accompanying this Management Information Circular. Solicitation of proxies will be primarily by mail, but may also be undertaken by way of telephone, internet, facsimile or oral communication by the directors, officers and regular employees of the Corporation, at no additional compensation. Costs associated with the solicitation of proxies will be borne by the Corporation. Unless otherwise stated, information contained herein is given as of September 23, 2025.

Appointment of Proxyholders

The record date for the determination of Shareholders entitled to receive notice of and to vote at the Meeting is September 23, 2025 (the “**Record Date**”). Only Shareholders whose names are entered in the Corporation's register of shareholders at the close of business on that date and holders of Common Shares issued by the Corporation after such date and prior to the Meeting will be entitled to receive notice of and to vote at the Meeting, provided that, to the extent a Shareholder transfers the ownership of any of his or her Common Shares after such date and the transferee of those Common Shares establishes that he or she owns such Common Shares and demands, not later than ten days before the Meeting, to be included in the list of Shareholders eligible to vote at the Meeting, such transferee will be entitled to vote those Common Shares at the Meeting.

Accompanying this Management Information Circular is an instrument of proxy for use at the Meeting. Shareholders who are unable to attend the Meeting in person are required to date and sign the enclosed instrument of proxy and return it in the enclosed return envelope. **To be voted at the Meeting, all properly executed Forms of Proxy for Shareholders must be mailed so as to reach or be deposited with the Corporation's Secretary at Suite 1620, 734 – 7th Avenue S.W., Calgary, Alberta T2P 3P8 (facsimile number 403-266-2606) not later than 48 hours (excluding Saturdays, Sundays and statutory holidays in the Province of Alberta) prior to the time set for the Meeting or any adjournment thereof.**

The persons designated in the instrument of proxy are directors or officers of the Corporation. **A Shareholder has the right to appoint a person (who need not be a Shareholder) other than the persons designated in the accompanying instrument of proxy, to attend at and represent the Shareholder at the Meeting. To exercise this right, a Shareholder should insert the name of the designated representative in the blank space provided on the instrument of proxy and strike out the names of management's nominees or complete another appropriate instrument of proxy.**

Signing of Proxy

The instrument of proxy must be signed by the Shareholder or the Shareholder's duly appointed attorney authorized in writing or, if the Shareholder is a corporation, under its corporate seal or by a duly authorized officer or attorney of the corporation. An instrument of proxy signed by a person acting as attorney or in some other representative capacity (including a representative of a corporate Shareholder) should indicate that person's capacity (following his or her signature) and should be accompanied by the appropriate instrument evidencing qualification and authority to act (unless such instrument has previously been filed with the Corporation).

Revocability of Proxies

A Shareholder who has submitted an instrument of proxy may revoke it at any time prior to the exercise thereof. In addition to any manner permitted by law, a proxy may be revoked by instrument in writing executed by the Shareholder or by his or her duly authorized attorney or, if the Shareholder is a corporation, under its corporate seal or executed by a duly authorized officer or attorney of the corporation and deposited either: (i) with the Corporation's Secretary at the address referred to above at any time up to and including the last business day preceding the day of the Meeting, or any adjournments thereof, at which the instrument of proxy is to be used; or (ii) with the Chairman of the Meeting on the day of the Meeting, or any adjournment thereof. In addition, an instrument of proxy may be revoked: (i) by the Shareholder personally attending the Meeting and voting the securities represented thereby or, if the Shareholder is a corporation, by a duly authorized representative of the corporation attending at the Meeting and voting such securities; or (ii) in any other manner permitted by law.

Voting of Proxies and Exercise of Discretion by Proxyholders

All Common Shares represented at the Meeting by properly executed proxies will be voted on any ballot that may be called for and, where a choice with respect to any matter to be acted upon has been specified in the instrument of proxy, the Common Shares represented by the instrument of proxy will be voted in accordance with such instructions. The management designee named in the accompanying Instrument of proxy will vote or withhold from voting the Common Shares in respect of which they are appointed in accordance with the direction of the Shareholder appointing him or her on any ballot that may be called for at the Meeting. **In the absence of such direction, such Common Shares will be voted "FOR" or in favour of the proposed resolutions at the Meeting. The accompanying instrument of proxy confers discretionary authority upon the persons named therein with respect to amendments of or variations to the matters identified in the accompanying Notice and with respect to other matters that may properly be brought before the Meeting.** At the time of printing this Management Information Circular, the management of the Corporation knows of no such amendment, variation or other matter to come before the Meeting other than the matters referred to in the accompanying Notice.

VOTING SHARES AND PRINCIPAL HOLDERS OF COMMON SHARES

Voting of Common Shares – General

Shareholders of record on the Record Date are entitled to receive notice of and attend the Meeting and vote thereat on the basis of one vote for each Common Share held, except to the extent that: (i) a registered Shareholder has transferred the ownership of any Common Shares subsequent to the Record Date; and (ii) the transferee of those Common Shares produces properly endorsed share certificates, or otherwise establishes that he or she owns the Common Shares and demands, not later than ten days before the Meeting, that his or her name be included on the Shareholder list before the Meeting, in which case the transferee shall be entitled to vote his or her Common Shares at the Meeting.

On the Record Date, of the Corporation's authorized unlimited number of Common Shares, 146,950,482 Common Shares were issued and outstanding as fully paid and non-assessable.

Quorum

Pursuant to the By-Laws of the Corporation ("**By-Laws**"), a quorum of Shareholders is present at the Meeting irrespective of the number of persons actually present, if two persons are present in person, each being a Shareholder entitled to vote thereat or a duly appointed proxyholder or representative for a Shareholder so entitled. Pursuant to the *Business Corporations Act* (Alberta) and the By-Laws, if a quorum is present at the opening of the Meeting, the Shareholders present may proceed with the business of the Meeting notwithstanding that a quorum is not present throughout the Meeting. If a quorum is not present at the opening of the Meeting, the Shareholders present may adjourn the Meeting to a fixed time and place but may not transact any other business.

Voting of Common Shares – Advice to Non-Registered Holders

Only registered holders of Common Shares, or the persons they appoint as their proxies, are permitted to attend and vote at the Meeting. However, in many cases, Common Shares beneficially owned by a holder (a "**Non-Registered Holder**") are registered either:

- (a) in the name of an intermediary (an “**Intermediary**”) that the Non-Registered Holder deals with in respect of the Common Shares. Intermediaries include banks, trust companies, securities dealers or brokers, and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans; or
- (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited or “**CDS**”).

In accordance with the requirements of National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”) of the Canadian Securities Administrators, the Corporation has distributed copies of the Notice, this Management Information Circular and the instrument of proxy (collectively, the “**Meeting Materials**”) to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders.

Intermediaries are required to forward meeting materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Typically, Intermediaries will use a service company (such as Broadridge Investor Communications Solutions (“**Broadridge**”)) to forward meeting materials to Non-Registered Holders.

Generally, Non-Registered Holders who have not waived the right to receive meeting materials will:

- (a) have received as part of the Meeting Materials a voting instruction form which must be completed, signed and delivered by the Non-Registered Holder in accordance with the directions on the voting instruction form; voting instruction forms sent by Broadridge permit the completion of the voting instruction form by telephone or through the Internet at www.proxyvotecanada.com; or
- (b) less typically, be given a proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Holder but which is otherwise uncompleted. The Non-Registered Holder need not sign this instrument of proxy. In this case, the Non-Registered Holder who wishes to submit a proxy should otherwise properly complete the instrument of proxy and deposit it with the Corporation at Suite 1620, 734 – 7th Avenue S.W., Calgary, Alberta, T2P 3P8, as described above.

The purpose of these procedures is to permit Non-Registered Holders to direct the voting of the Common Shares they beneficially own. Should a Non-Registered Holder wish to attend and vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder should strike out the names of the persons named in the proxy and insert the Non-Registered Holder's (or such other person's) name in the blank space provided or, in the case of a voting instruction form, follow the corresponding instructions on the form. **In either case, Non-Registered Holders should carefully follow the instructions of their Intermediaries and their service companies.**

Only registered Shareholders have the right to revoke a proxy. Non-Registered Holders who wish to change their vote must in sufficient time in advance of the Meeting, arrange for their respective Intermediaries to change their vote and, if necessary, revoke their proxy in accordance with the revocation procedures set above.

Principal Holders of Common Shares

To the knowledge of the directors and senior officers of the Corporation, as of September 23, 2025, no one beneficially owns, directly or indirectly, or exercises control or direction over more than ten percent (10%) of the votes attached to the securities of the Corporation.

Notice-And-Access

The Corporation is not sending the Meeting Materials to Shareholders using “notice-and-access”, as defined under NI 54-101.

PARTICULARS OF MATTERS TO BE ACTED UPON

1. Financial Statements and Auditors Report

The financial statements of the Corporation for the year ended September 30, 2024 and the Auditor's Reports thereon will be placed before the Shareholders at the Meeting for their consideration (the "**Statements**"). These Statements were mailed to all registered Shareholders and all Shareholders who had requested receipt of these Statements. Upon request, the Corporation will promptly provide a copy of the year-end financial statements to a Shareholder free of charge.

Shareholders who wish to receive annual and interim financial statements are encouraged to send the enclosed notice, in the addressed envelope, to the Corporation at Suite 1620, 734 – 7th Avenue S.W., Calgary, Alberta, T2P 3P8.

The Corporation's financial statements are also available on the System of Electronic Document Analysis and Retrieval ("**SEDAR**") website at www.sedarplus.com. No approval or other action needs to be taken at the Meeting in respect of the Statements.

2. Election of Directors

Unless otherwise directed, the management designees named in the accompanying instrument of proxy intend to vote in favour of the election, as directors, of the nominees whose names are set forth below. It is proposed that the number of directors to be elected at the Meeting will be fixed at five (5). It is intended that each person whose name appears hereunder will be nominated at the Meeting for election as a director of the Corporation to serve until the next annual meeting of the Shareholders of the Corporation, unless his office is earlier vacated. All of the nominees are currently members of the board of directors (the "**Board of Directors**" or the "**Board**", and each individual director, a "**Director**") of the Corporation.

In the event that prior to the Meeting, any vacancies occur on the slate of nominees submitted herewith, it is intended that discretionary authority will be granted to vote proxies solicited by or on behalf of management for the election of any other person or persons as directors. Management is not currently aware that any such nominees would not be willing to serve as Director if elected.

The following table sets out the names of the director nominees; their positions and offices in the Corporation; the province or state and country in which he or she is ordinarily resident; the period of time that they have been directors of the Corporation; principal occupations; and the number of Common Shares which each beneficially owns or over which control or direction is exercised as at the date of this Management Information Circular.

Ms. Hayes was a director and officer (CEO) of Crailar Technology Inc. who on November 9, 2015 obtained a Court Order from the Supreme Court of British Columbia pursuant to the *Companies' Creditor Arrangement Act*. The stay expired on May 31, 2016. The company Petitioned under Chapter 15 of the US Bankruptcy Code in the District of South Carolina on December 21, 2015 and received recognition that the CCAA was the main proceeding. Crailar was further assigned into Bankruptcy on July 5, 2016. The Bowra Group Inc of Vancouver, British Columbia was appointed Trustee in Bankruptcy.

Individual Bankruptcies

No Director or proposed Director is or has, within the ten years prior to the date hereof, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold the assets of that individual.

The directors and officers of the Corporation may, from time to time, be involved with the business and operations of other issuers, in which case a conflict of interest may arise between their duties as officers and directors of the

3. Appointment of Auditors

The current auditors of the Corporation are BDO Canada LLP, Chartered Accountants. Unless otherwise directed, the management designees named in the accompanying instrument of proxy intend to vote in favour of the appointment of BDO Canada LLP, Chartered Accountants, as auditors of the Corporation, to hold office until the close of the next annual meeting, at a remuneration to be determined by the Board of Directors of the Corporation. BDO Canada LLP was first appointed in November 2013. Approval of the appointment of the auditors will require the affirmative votes of the holders of not less than half of the votes cast in respect thereof by Shareholders present in person or by proxy at the Meeting.

Unless otherwise instructed, the proxies given pursuant to this solicitation will be voted FOR the re-appointment of BDO Canada LLP as auditors of the Corporation to hold office for the ensuing year at a remuneration to be fixed by the directors.

4. Approval of Stock Option Plan

Pursuant to TSX Venture Exchange (“TSXV”) Policy 4.4, corporations that have a rolling stock option plan reserving a maximum of 10% of the issued and outstanding shares of the corporation must receive annual shareholder approval of their stock option plan. In accordance with this policy, the Corporation adopted a stock option plan which was approved by the Shareholders at the Annual and Special Meeting held on August 5, 2024 (the “Plan”). The Plan authorizes the Board to issue options (“Options”) to Directors, officers, key employees and others who are in a position to contribute to the future success and growth of the Corporation (“Participants”). The Corporation wishes to continue to use the Plan and is seeking the approval of the Shareholders at this Meeting.

Under the Plan, the aggregate number of Common Shares issuable upon exercise of Options granted thereunder may not exceed 10% of the total number of outstanding Common Shares of the Corporation at the time the Options are granted. Further, the aggregate number of Common Shares issuable upon the exercise of the Options granted thereunder to any one individual may not exceed 5% of the total number of outstanding Common Shares of the Corporation and, in the case of consultants and persons retained to perform investor relation activities, shall not exceed 2% in any 12-month period. Options issued pursuant to the Plan must have an exercise price (must not be less than the Discounted Market Price) not less than that from time to time permitted by the stock exchange on which the Common Shares are then listed. Options granted to any person performing investor relations activities shall at a minimum vest in stages over 12 months with no more than ¼ Options vesting at three months, ¼ Options at 6 months, ¼ Options at 9 months and the remainder of the Options vesting at 12 months. The period during which an option may be exercised shall be determined by the Board at the time the option is granted, subject to any vesting limitations which may be imposed by the Board at the time such option is granted, provided no option shall be exercisable for a period exceeding 10 years for a Corporation. All Options are non-assignable and non-transferable.

The Plan allows a Participant to use a cashless exercise whereby the Corporation has an arrangement with a brokerage firm pursuant to which the brokerage firm will loan money to a Participant to purchase the Shares underlying the Option. The brokerage firm then sells a sufficient number of Shares, to cover the exercise price and any required withholding tax, of the Option in order to repay the loan made to the Participant. The brokerage firm receives an equivalent number of Shares from the exercise of the Option and the Participant then receives the balance of Shares or the cash proceeds from the balance of such Listed Shares.

The Plan also allows outstanding Options that expire within a formally imposed black out period (“blackout”) called by the Corporation will be extended and expire ten (10) business days after the expiry of the blackout period.

The Options granted under the Plan expire on the earlier of the date of the expiration of the option period noted above and must expire 90 days after the date a holder ceases to hold the position or positions of Director, officer, employee or consultant of the Corporation and within 30 days for any optionee engaged in investor relations activities. In the event of the death or permanent disability of a holder, any option previously granted to him shall be exercisable until the end of the option period noted above or until the expiration of 12 months after the date of death or permanent disability of such option holder, whichever is earlier.

In the event of a sale by the Corporation of all or substantially all of its assets or in the event of a change in control of the Corporation, each holder shall be entitled to exercise, in whole or in part, the Options granted to such holder, either during the term of the option or within 90 days after the date of the sale or change of control, whichever first occurs.

Any adjustment, other than in connection with a security consolidation or security split, to Security Based Compensation granted or issued under a Security Based Compensation Plan must be subject to the prior acceptance of the Exchange, including adjustments related to an amalgamation, merger, arrangement, reorganization, spin-off, dividend or recapitalization.

The approval by Shareholders of the Plan requires a favourable vote of a majority of the Common Shares voted in respect thereof at the Meeting.

A total of 14,695,048 Options are currently available for grant under the Plan. A total of 7,762,500 Options are currently granted and outstanding under the Plan and to directors, officers and employees/consultants of the Corporation (at exercise prices of \$0.05, \$0.06, \$0.08 and \$0.18 per Common Share). During the year ended September 30, 2024, a total of 1,125,000 options at \$0.06 and 1,450,000 options at \$0.15 expired. A total of 700,000 Options at \$0.08 per share expiring July 14, 2029 and 5,200,000 Options at \$0.06 per share expiring November 25, 2029 were granted to directors, officers and employees/consultants. No Options were exercised during the year ended September 30, 2024.

The Corporation's Option Plan is available on the System of Electronic Document Analysis and Retrieval ("SEDAR") website at www.sedarplus.com.

At the Meeting, the Shareholders will be asked to approve the following resolutions:

"BE IT RESOLVED, AS AN ORDINARY RESOLUTION, THAT:

1. the Corporation's stock option plan as amended, as described in the Corporation's Management Circular dated September 23, 2025, as may be amended by the Board of Directors as required by applicable securities regulatory authorities or stock exchanges, is hereby ratified and approved;
2. the form of the plan may be amended in order to satisfy the requirements or requests of any regulatory authorities without requiring further approval of the shareholders of the Corporation;
3. the shareholders of the Corporation hereby expressly authorize the Board of Directors to revoke this resolution before it is acted upon without requiring further approval of the shareholders in that regard; and
4. any one director or officer of the Corporation is authorized, on behalf of the Corporation, to execute and deliver all documents and do all things as such person may determine to be necessary or advisable to give effect to this resolution."

It is the intention of the persons named in the enclosed instrument of proxy, if not expressly directed otherwise in such instrument of proxy, to vote such proxies FOR the ordinary resolution to approve, ratify and confirm the Plan.

Other Business

The management of the Corporation knows of no matter to come before the Meeting other than the matters referred to in the Notice of Meeting. However, if any other matters properly come before the Meeting, the accompanying Instrument of Proxy will be voted on such matters with the best judgment of the person or persons voting the proxy.

STATEMENT OF EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The following information, dated as of September 23, 2025, is provided in accordance with Form 51-102F6V – *Statement of Executive Compensation – Venture Issuers* (the "**Form**"), in such term as defined by National Instrument 51-102.

For the purposes of this Form, a "Named Executive Officer", or "NEO", means each of the following individuals:

- (a) each individual who, in respect of the Corporation, during any part of the most recently completed financial year, served as chief executive officer ("CEO"), including an individual performing functions similar to a CEO;
- (b) each individual who, in respect of the Corporation, during any part of the most recently completed financial year, served as chief financial officer ("CFO"), including an individual performing functions similar to a CFO;
- (c) in respect of the Corporation and its subsidiaries, the most highly compensated executive officer other than the individuals identified in paragraphs (a) and (b) at the end of the most recently completed financial year whose total compensation was more than \$150,000;
- (d) each individual who would be a NEO under paragraph (c) but for the fact that the individual was not an executive officer of the Corporation, and was not acting in a similar capacity, at the end of that financial year.

Based on the foregoing definitions, the Named Executive Officers of the Corporation for the year ended September 30, 2024 were Dr. Shane Ebert, President, and Ms. Chantelle Collins, Chief Financial Officer. Dr. Ebert billed on an hourly or *per diem* basis individually or through his controlled company for consulting services in the aggregate amount of \$43,377 for fiscal 2024. Ms. Collins billed on an hourly or *per diem* basis individually or through her controlled company for consulting services in the aggregate amount of \$1,980 for fiscal 2024. Other than as described above there were no other Named Executive Officers for the year ending on September 30, 2024, as no other employees earned in excess of \$150,000 in fiscal 2024. Named Executive Officers are also eligible to participate in the Corporation's stock option plan (the "**Plan**") as described herein.

Philosophy and Objectives

The Board of Directors as a whole, including Messrs. Ebert and Jutras (officers of the Corporation), is responsible for approving all compensation paid by the Corporation to its directors and senior officers. Messrs. Ebert and Jutras do not vote with respect to compensation matters affecting them.

The Board is responsible for reviewing and approving the position description for the President, which shall include (a) his authorities and accountabilities; (b) the corporate goals and objectives for which the President shall be responsible; and (c) monitoring the President's performance relative to these goals and objectives.

The President makes recommendations to the Board regarding the position description, corporate goals and objectives as well as the compensation level of the other senior executives of the Corporation.

The Board reviews the President's recommendations respecting compensation of other senior executives of the Corporation, to ensure such arrangements reflect the responsibilities and risk associated with each position. With respect to the overall objectives of its compensation practices, and taking into consideration its current stage of development, when determining the compensation, the Board considers: (i) recruiting and retaining executives critical to the success of the Corporation and the enhancement of shareholder value; (ii) providing fair compensation based on the nature and scope of the Corporation's business; (iii) balancing the interest of management and the shareholders; (iv) rewarding performance, both on an individual basis and with respect to operations in general. The Corporation's executive officers bill for their services at a base per diem or hourly rate and an executive officer from time to time may receive incentives in the form of stock options.

The objective of the Board of Directors in setting compensation levels is to attract and retain individuals of very high calibre to serve as officers of the Corporation, to motivate their performance in order to achieve the Corporation's important strategic objectives and to align the interests of executive officers with both the short-term and the long-term interests of the Shareholders, while at the same time preserving cash flows. These objectives are designed to ensure that the Corporation continues to grow as well as to grow cash flow and earnings for Shareholders. The Board of Directors sets the compensation received by NEOs so as to be generally competitive with the compensation received by persons with similar qualifications and responsibilities who are engaged by other companies of corresponding size, stage of development, having similar assets, number of employees, market capitalizations and profit margin. In setting such levels, the Board of Directors relies on their own long-term experience and knowledge of the Canadian capital markets and Canadian business in general.

Annual Cash Incentive Bonuses

The Corporation has not yet established a formal annual incentive program (annual bonuses).

Securities-Based Awards

The Corporation's granting of stock options to Named Executive Officers under the stock option plan is a method of compensation that is used to attract and retain personnel and to provide an incentive to participate in the long-term development of the Corporation and to increase shareholder value. The relative emphasis of stock options for compensating Named Executive Officers will generally vary depending on the number of Common Shares held by such persons and the number of stock options that are outstanding from time to time. The Corporation generally expects future grants of stock options should be based on the following factors: (i) the terms and conditions of the consulting agreements of Named Executive Officers; (ii) the Named Executive Officer's past performance; (iii) the Named Executive Officer's anticipated future contribution; (iv) the prior stock option grants to such Named Executive Officer; (v) the level of vested and unvested stock options; (vi) the Corporation's overall performance and the Named Executive Officer's contribution thereto; and (vii) the market practices and the Named Executive Officer's responsibilities and performance. The Corporation has not set specific target levels for the granting of stock options to Named Executive Officers but seeks to be competitive with similar companies.

For a summary of the main terms and conditions of the Corporation's stock option plan, see "Approval of Stock Option Plan" above.

The Corporation maintains directors' and officers' liability insurance for its directors and officers. The amount of the premium for 2024-25 was \$11,115 per annum per year for annual aggregate coverage of \$2,000,000 with a deductible of \$25,000 for each claim and 2025-2026 was \$10,560 per annum per year for annual aggregate coverage of \$2,000,000 with a deductible of \$25,000 for each claim. The current policy expires June 1, 2026.

CORPORATE GOVERNANCE DISCLOSURE

Corporate governance relates to the activities of the Board of Directors, the members of which are elected by and are accountable to the shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day-to-day management of the Corporation. The Board is committed to sound corporate governance practices, which are both in the interests of its shareholders and contribute to effective and efficient decision-making. The Corporation believes that its corporate governance practices ensure that the business and affairs of the Corporation are effectively managed so as to enhance shareholder value.

Disclosure of Corporate Governance Practices

The Corporation has reviewed its own corporate governance practices in light of the guidelines contained in National Policy 58-201 – *Corporate Governance Guidelines* (“PN 58-201”). The Corporation's practices comply generally with the guidelines; however, the Board of Directors considers that some of the guidelines are not suitable for the Corporation at its current stage of development and therefore these guidelines have not been adopted. Set out below is a description of the Corporation's corporate governance practices as required by National Instrument 58-101 – *Disclosure of Corporate Governance Practices* (“NI 58-101”).

Board of Directors

The Board of Directors functions independently of management because at least one half of the members are non-management. The Board has determined that three of its five directors proposed for election at the meeting are independent. An “independent” director is a director who is independent of management and free from any interest any business or other relationship that could, or could reasonably, be perceived to materially interfere with the director's ability to act in the best interests of the Corporation, other than interests arising from shareholdings. These directors are Lesley Hayes, Blair Schultz and Gregory Hanks. Messrs. Ebert and Jutras are not considered to be “independent” directors because they are officers of the Corporation.

Directors meet at least quarterly. The Board holds meetings as required, at which the opinion of the independent Directors is sought and duly acted upon for all material matters relating to the Corporation.

The Executive Chairman of the Board, Shane Ebert, is not an independent director. Messrs. Hanks and Schultz and Ms. Hayes sit on the Audit Committee and provide leadership for the independent directors in accounting or business matters. Dr. Ebert and Mr. Jutras, both professional geologists, provide leadership on technical matters.

The role of the chair of each committee is to preside over all meetings of the Board, consult regarding agendas and information sent to the Board and notifies other Board members regarding any legitimate shareholder concerns of which he/she becomes aware.

Orientation and Continuing Education

At present, each new director is given an outline of the nature of the Corporation's business, its corporate strategy, and current issues with the Corporation. New directors are also required to meet with management of the Corporation to discuss and better understand the Corporation's business and policies. As each director has a different skill set and professional background, orientation will be tailored to the particular needs and experience of each director.

Continuing education is provided through relevant industry seminars, attending conferences, reading materials, board meeting presentations and discussions to ensure the directors maintain the knowledge and skill necessary to meet their obligations as directors. In addition, management of the Corporation makes itself available for discussion with all Board members.

Ethical Business Conduct

To encourage and promote a culture of ethical business conduct, the Board of Directors has adopted a code of business conduct and ethics applicable to all members of the Corporation including directors, officers, consultants and employees. Each director, officer, consultant and employee of the Corporation receives a copy of the code of business conduct and ethics. Upon request, the Corporation will provide a copy of this policy to a shareholder free of charge.

In addition, the Board of Directors monitors the ethical conduct of the Corporation to ensure that it complies with applicable legal and regulatory requirements, such as those of relevant securities commissions, stock exchanges and the *Business Corporations Act* (Alberta). The Board of Directors believes that the fiduciary duties placed on individual directors by the Corporation's governing corporate legislation and common law, as well as the restrictions placed by applicable corporate legislation on the individual director's participation in decisions of the Board of Directors in which the director has an interest, have been sufficient to ensure that the Board of Directors operated independently of management and in the best interest of the Corporation.

The Board of Directors has also adopted a “Whistleblower Policy” wherein employees, directors, officers or consultants of the Corporation are provided with a mechanism by which they can raise concerns in a confidential, anonymous process.

Nominating and Corporate Governance Committee

The Board of Directors has a Nominating Committee or Corporate Governance Committee consisting of Messrs. Hanks and Schultz and Ms. Hayes, all independent directors. The Board believes that it is appropriate for it to perform the functions of the Nominating Committee and Corporate Governance Committee as a result of its small size.

The Committee identifies, recruits, nominates, endorses and recommends appointment of new directors based on the needs of the Board. Generally, new nominees for directors must have a track record in general business management, special expertise in an area of strategic interest to the Corporation, the ability to devote the time required, shown support for the Corporation's mission and strategic objectives, and a willingness to serve.

Compensation Committee

The Board of Directors has a Compensation Committee consisting of Messrs. Hanks and Schultz and Ms. Hayes, all independent directors. The Board believes that it is appropriate for it to perform the functions of the Compensation Committee as a result of its small size.

The Compensation Committee shall, in addition to any other duties and responsibilities specifically delegated to it by the board of directors, generally assume responsibility for assisting the board of directors in respect of compensation policies for the Corporation and to review and recommend compensation strategies for the Corporation and proposals relating to compensation for officers, directors and employees and to assess the performance of the officers of the Corporation in fulfilling their responsibilities and meeting corporate objectives. In discharging its responsibilities, the Compensation Committee will report and, where appropriate, make recommendations to the Corporation in respect of the matters identified in this mandate.

Assessments

The Board of Directors will annually complete a self-assessment of its performance to satisfy itself that the Board as a whole, its committees, and its individual Directors are performing effectively.

A copy of the Audit Committee Charter is attached hereto as Appendix "A". The Audit Committee is comprised of three Directors of whom are independent under Multilateral Instrument 52-110 ("MI 52-110").
